

Square Of Life

By:

David, Sam, Lindsay and Samantha

What Are We Doing?

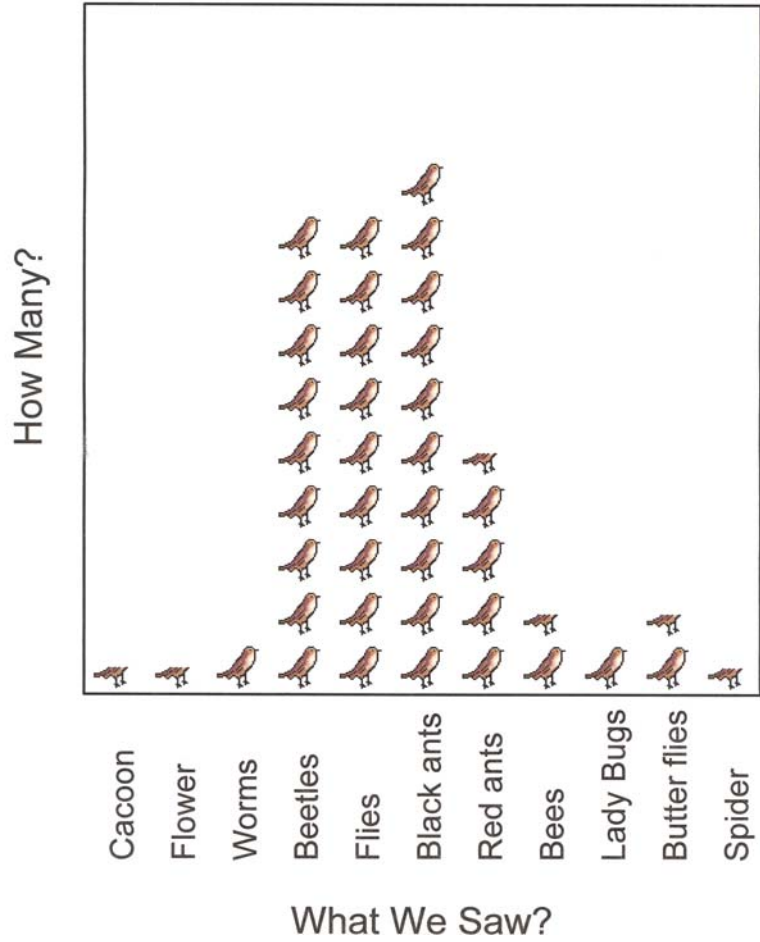

- We are making a project to compare our environment to others
- Going outside and gathering data
- Adding it to an online database
- Choosing 2 schools to compare our data

Square of a Life Graph

Each  = 2

North Salem Vs. Quebec

North Salem

birds, trees, insects, paper,
and recyclable products

one badge-brown
ladybug about 2 inches
long

a more
rural/suburban
environment

Quebec

insects, trees, paper,
dirt, and worms

an urban
environment with
many buildings

many black and
red ants

North Salem Vs. Japan
