

Name: \_\_\_\_\_

***Taxonomy Challenge***  
**Observation Sheet**

**Directions:** For each picture, first identify each picture as vertebrate or invertebrate by circling the word. If you identify a picture as an invertebrate, use your dichotomous key to identify the name of the animal. Place your answer on the line.

**Picture 1:**      **Vertebrate**                  **Invertebrate**

\_\_\_\_\_

**Picture 2:**      **Vertebrate**                  **Invertebrate**

\_\_\_\_\_

**Picture 3:**      **Vertebrate**                  **Invertebrate**

\_\_\_\_\_

**Picture 4:**      **Vertebrate**                  **Invertebrate**

\_\_\_\_\_

**Picture 5:**      **Vertebrate**                  **Invertebrate**

\_\_\_\_\_

**Picture 6:**      **Vertebrate**                  **Invertebrate**
