

September 11, 2007

Dear PISA teachers,

Below are the dates for the professional development days that will be held at the Liberty Science Center in October. We need to know your choice of October date by **September 21, 2007**. Please respond to one of us (see contact information below).

Email: Carol.Shields@stevens.edu

Phone: 201-216-5070

Email: Augusto. Macalalag@stevens.edu

Phone: 201-216-5045

Fax: 201-216-8069

Topic 1: Water and the Environment (conducted by Liberty Science Staff)

(Choose ONE) _____ October 2 _____ October 4 _____ October 11

For your future reference, the winter and spring dates are listed below:

Topic 2: How Science Works (conducted by: Susan Wu, Bank Street College)

(Choose ONE) _____ December 5 _____ December 11 _____ December 12

Topic 3: Plant and Animal Life Cycles (conducted by: Liberty Science Staff)

(Choose ONE) _____ April 1 _____ April 3 _____ April 8

All sessions will be held at the Liberty Science Center

Location: 222 Jersey City Boulevard, Jersey City, NJ, 07305

Phone: 201.200.1000

Time: 9:00am – 3:00pm

Lunch: Bring your own or purchase in the LSC restaurant

Parking: Pay your parking and check in at the main desk for parking reimbursement and room assignment.

Reminder: As per grant agreement, you are expected to attend all 3 sessions (one per topic) and your district will be reimbursed for substitute coverage. If your principal has questions, please share this letter with him/her or have him/her call one of us at the numbers above.
